TECHNICAL DATA SHEET

Atrium

Atrium — a wallcovering that captures the intensity and structure of open, light-filled spaces. Inspired by the grand architectural feature that lends it its name, Atrium channels the balance, proportion, and impressionable marvel of a linear geometric design. The colour palette has been thoughtfully curated to interact with light and shadow from the textured surface, to the confident and luxurious metallics and pearlescent hues over matte prints, working in perfect harmony with light. Whether in soft neutrals or striking contrasts, Atrium creates the illusion of depth and luminosity, adding a quiet sense of grandeur to any interior space.
