TAPETY INTERAKTYWNE

MemErase - tapeta do pisania	213
------------------------------------	-----

Muraspec jest międzynarodowym liderem w sektorze tapet komercyjnych produkowanych przemysłowo oraz na indywidualne zamówienia klientów. Nasze brytyjskie dziedzictwo sięga lat 50. XIX wieku, a renoma produktów ma globalny, ogólnoświatowy zasięg.

Okładziny Muraspec znajdują zastosowanie w hotelach, biurach, placówkach medycznych oraz w prywatnych domach i mieszkaniach na całym świecie, co potwierdza ich wyjątkową jakość. Tapety Muraspec mają również rozpoznawalny styl, który z jednej strony charakteryzuje przywiązanie do najlepszych kanonów estetycznej tradycji, z drugiej artystyczna nowoczesność.

Dziś Muraspec jest niezależną spółką zajmującą się projektowaniem, produkcją i dystrybucją komercyjnych okładzin ściennych oraz luksusowych tapet do użytku w inwestycjach prywatnych. Od prawie stulecia siedziba firmy i zakład produkcyjny znajdują się w East Peckham w Kent (Wielka Brytania). Nieustannie inwestujemy zarówno w rozwój projektów, jak również w technologię produkcji. Zobowiązuje nas do tego pozycja lidera na globalnym, międzynarodowym rynku okładzin ściennych.

Oferujemy najszerszą gamę okładzin na rynku: **od trwałych specjalistycznych tapet obiektowych z dodatkiem Biocide, przez luksusowe tekstylne okładziny zabezpieczone Teflonem, po wysokiej jakości tapety do użytku indywidualnego.**

Oprócz tapet posiadamy w ofercie szeroką gamę **akustycznych materiałów wykończeniowych** np. filc wełniany z rolki, filc PET z rolki, filc PET w panelach.

Paleta **ekskluzywnych tkanin obiciowych** oraz **lekkich tekstyliów obiciowych** pozwala nam na kompleksową współpracę z inwestorami kontraktowymi.

Do tego niezwykle, **dekoracyjne panele 3D** oraz **materiały scenograficzne.**

Specyfikacja techniczna

 Fabric backed vinyl	Tapety winylowe na podkładzie tekstylnym	 Fire rated	Materiały trudnopalne
 30m	Długość rolki 30 m ale możliwość zakupu min. 1 mb	 Excellent (7 out of 8 to BSEN20105)	Wysoka odporność na utratę barwy
 10m	Długość rolki 10 m ale możliwość zakupu min. 1 mb	 IMO	Posiadają atest morski
 52cm	Szerokość rolki 52 cm	 20oz	Tapeta Typ II gramatura powyżej 450 g/m²
 Extra Scrubbable	Można myć i szorować	A+	Przyjazne środowisku
 Scrubbable	Można myć		
 Biocide	Materiały zawierające Biocyd Bakteriostatyczne	CE	Certyfikacja europejska
